ASHIRBAD FINTECH
CREDIT INTELLIGENCE REPORT DOWNLOAD PROCESS

Ashirbad Fintech Solution

Company Overview

Founded: 2020

Vision:
Be the leading fintech service provider in Odisha, bridging financial gaps for individuals and businesses

Mission:
Provide hassle-free instant financial solutions with minimal documentation and a fully paperless process

Objectives:
Simplify financial access and offer personalized loan solutions

ADVANTAGE OF OUR CREDIT INTELLIGENCE REPORT

•**Easy Credit Analysis of the Customer**

Quickly assess a customer's creditworthiness using our advanced analytics, ensuring faster decision-making with minimal effort.

•**Saves Time and Reduces Manpower Consumption**

Automates credit assessment, reducing manual effort and processing time, allowing businesses to handle more applications efficiently.

•**No OTP Required for Downloading Credit Analysis**

Instantly access credit reports without OTP authentication, streamlining the process and eliminating unnecessary verification steps.

CONT...

•**Fully Data-Secured – No Data Theft for Customers and DSAs**

Reports are accessed securely using individual login credentials, ensuring complete data protection for both customers and DSAs.

•**No Credit Inquiry Impact on Customer's Credit Score**

Reports are generated without initiating a hard inquiry, safeguarding the customer's credit score from unnecessary deductions.

•**Available in Multiple Formats – PDF and Excel**

Download reports in both PDF and Excel formats, offering flexibility for storage, sharing, and further analysis.
